

ABHILASHA VERMA

Motivated and results-driven BCA student at Graphic Era University with a solid foundation in computer applications, programming, and software development. Passionate about leveraging my technical skills in real-world applications and contributing to innovative projects. Skilled in languages such as Python, Java, and C++, with hands-on experience in developing web applications and databases. Eager to bring strong problem-solving abilities and a keen eye for detail to a dynamic team in a forward-thinking company.
